

Service Intervals

Keep your Mercedes-Benz running like new with our recommended service intervals.

What is Service A?

What is Service A?

With the first visit at approximately 10,000 miles or 1 year whichever comes first - and then approximately every 20,000 miles or 2 years after that - Service A includes:

- Mercedes-Benz motor oil replacement
- Oil filter replacement
- Fluid level checks and corrections
- Tire inflation check and correction
- Brake component inspection
- Reset maintenance counter

With the first visit at approximately 20,000 miles or 1 year after the previous service, and then approximately every 20,000 miles or 2 years after that — Service B includes:

- Mercedes-Benz motor oil replacement
- Oil filter replacement
- Fluid level checks and corrections
- Tire inflation check and correction
- Cabin dust/combination filter replacement
- Brake component inspection
- Brake fluid exchange
- Reset maintenance counter

EV Service

New owners of all-electric Mercedes-Benz vehicles will enjoy complimentary service coverage for the first two years. Our trained technicians use genuine Mercedes-Benz parts and offer services including:

- Dust filter change
- Activated charcoal filter change
- Brake fluid change
- Wiper blade replacement
- Multi-point inspection
